Childcare will be provided

We want to hear from you! All students, parents, teachers, community members are invited to join us on Wednesday, September 12 in the Central High School Library. Manchester Equity Education is an initiative to ensure the equitable success of all students in Manchester School District, led by a innovative and collaborative team that includes our staff, community representatives, parents and students. Our goal is to close gaps so that more students graduate prepared to transition to college and careers without the need for remedial courses.
